

Idowu Ariyo Rotimi

FRONTEND ENGINEER

EXPERIENCE

Web Designs/Development Instructor | 04/2018 to current.

WOMEN DEVELOPMENT CENTER (WDC) Lagos, Nigeria.

Women Development Center(WDC) is a Lagos State Skill Acquisition Center that offers different courses, which includes Web/Mobile Development. My activities included:

- Develop Strategies for Students to learn faster by assigning live projects to students during the course of the program.
- Teach the Students using these techs (HTML, CSS, Js, Bootstrap,) and Adobe Xd/Figma.
- Ensure each students complete one or more projects at the end of the program.

Frontend Developer Intern | 03/2022 to 05/2022.

Side Hustle Lagos, Nigeria.

Side Hustle is a talent management platform that is aimed at reducing the rate of youth unemployment and poverty in Nigeria, by empowering youths .

- Work closely with design team as frontend developer to help implement various designs.
- Demonstrate effective communication with fellow team members and management
- Rapidly prototype ideas in order to learn what works and how to elevate concepts to the next level.
